On Mother's Day, bring the beach to your Mom with the luxurious Discovery Tin candle set from Bougie Beach. Bougie Beach is owned and operated by Spanish women, and all candles are proudly made in the USA in St. Augustine, Florida.

There are six signature fragrances: Beach House, Flamingo Beach, Seaside Splash, Spahh Day, Sunset Beach, and Vitamin Sea. The clean candles burn for 14 hours and are made from 100% soy wax and a flat 100% cotton wick with no lead or zinc, and the fragrances are all natural. The elegant gold micro-tins have a seamless design, and each lid features a St. Augustine Lighthouse match striker. Be sure to tell all your family and friends about these beautifully packaged Bougie Beach candles, as they are the perfect Mother's Day gifts.
