What if there was a way you could bring the peace and tranquility of the beach into your everyday life?

At [Bougie Beach](#), they have you covered with luxuriously scented, clean burning, all natural candles inspired by the sand, the sea, and the laid back lifestyle you aspire to have.

What's incredible about this brand is that their scents are inspired by the natures of the beach!

Crafted with 100% Soy Wax and Coconut Apricot Wax, you won't have to worry about that unwanted black residue being left behind anywhere.

Their Discovery Set (6 pack) and Build-Your-Own Fragrance Set (3 pack) are just two ways to discover your favorite scents and make a thoughtful gift for pampering all the moms on your list this Mother's Day.

Help her get into a beach state of mind!
