CONCHO VALLEY LIVE

Concho Valley Live: Sit pretty at the beach or bring the beach to you!

If you can only get away in your mind, bring the beach to you with Bougie Beach candles.

They are made in the USA from 100 percent soy and coconut apricot wax, scented with all natural fragrances infused with essential oils, and the cotton wicks are zinc and lead free.

Bougie Beach also has a variety of room sprays, reed diffusers, gemstone bracelets, household accessories, and more!
